

BACCES 2019 **Dame Dolly, Jangles & Mrs Viaduct**

In the Town Square

- Jangles **(sung)** Well Hello Dolly
- Dolly Hiya Jangles – say hello and introduce yourself
- Jangles Hello and introduce yourself
- Dolly You’ll have to excuse him – he’s a buzzer short of a judging panel
- Jangles So how’s the new job going?
- Dolly Oh it’s fantastic
- Jangles Which airline do you work for?
- Dolly Ryannair!
- Jangles Ahh I suppose you’ve got to start somewhere. I almost sued them when they lost my luggage. But it turns out I didn’t have a case
- Dolly Are you excited for the party? You are coming, aren’t you?
- Jangles Of course – I’ll be there – with bells on! I am a bit nervous though ‘cause I’ll have to entertain the guests. Can I try out some of my jokes?
- Dolly Go on then
- Jangles What did the zero say to the eight
- Dolly I don’t know, what did the zero say to the eight
- Jangles Nice belt! What’s red and bad for your teeth? A brick!
- Dolly I’m not sure Queen Grizzly guts will want you to perform at the party – you know how she hates fun and merriment
- Jangles Yeah, I don’t care about her I just want to impress Snow White
- Dolly Awww you’ve got a bit of a crush on her, haven’t you?

BACCES 2019 **Dame Dolly, Jangles & Mrs Viaduct**

Jangles Kind of

Dolly If you want to impress her, you'll need to stop acting silly all the time and be more mature

Jangles I know I've got a lot of growing up to do – I realised that the other day whilst I was sitting in my wendy house

(Enter Snow White and Mrs Viaduct)

Mrs V Here she is, the girl of the moment

SW Hi everyone. Thanks for helping me choose my new dress
Mrs Viaduct

Mrs V No problem – anything for you my little rose bud – you're going to be the belle of the ball

Jangles No that'll be me (**Jangles jingles his bells**). Snowy will you dance with me at the party?

SW Course I will Jangles – when you're ready just give me a 'ring'

Jangles Aw she made a joke (**he goes all gushy**)

Dolly I can't believe you got Mrs Viaduct to help you shop and not me?

Mrs V Charming – I'll have you know I've got very good fashion sense, I'm just too poor to prove it

SW You were away. How was Paris?

Dolly It was amazing, and I bought your present there. But don't open it until your actual birthday 'cause it's bad luck

Jangles What kind of present is that?

Dolly I'm just loving crew life. We had a room party in the hotel, and the captain and first officer kept betting me five pounds that I couldn't do a handstand

Mrs V They probably just wanted to see your knickers

BACCES 2019 **Dame Dolly, Jangles & Mrs Viaduct**

- Dolly Aha well I thought of that – so I took ‘em off first
- Mrs V Just don’t start dating a pilot – I’ve heard a lot of them are
Don Juans
- Dolly No they’re mostly called Nigel
- Mrs V I’ve not set foot on a plane since I went to Torremolinos
with my dear late husband
- Jangles That’s a shame, how did he die?
- Mrs V It was the drink that killed him in the end – he got knocked
down by a milk float
