Grouchy Rest and relaxation?

Yammer Noooo rock and roll **(Tappy starts dancing)**

Ozzie What's on the dwarf channel?

Grouchy Oh it's all repeats as usual – All creatures great and small,
Red dwarf

Boastful I'm starving – what's for tea?

Chico Well we 'ava quails eggs with a fennel and walnut salad

Boastful Give me strength

Ozzie Can we have beans with it?

Boastful Chico, we just want normal food

Chico My food is super nutritious. That's how come you've all grown so tall

(knock at the door)

Yammer Who's that?

Grouchy I don't know but they've disturbed our rest

Ozzie **(Looking out of the window)** It's a girl!

Boastful I'll get it – I've got the most experience with women

(Enter Snow White)

SW I'm so sorry to bother you, but I'm lost in the forest. I've been walking for miles and yours is the first house I've seen

Boastful Come in, come in. It's nice to have a visitor – we don't get many girls in these parts

Tappy **(taps excitedly)**

BACCES 2019 Snow White & Dwarfs

SW My name's Snow White

All **(All gasp)**

Ace You mean - Princess Snow White?!

SW Well yes – but please don't bow. I'm just a normal girl.
 Could I please rest here for a while?

Boastful Course you can love – I mean.. er Princess love, take a
 load off

Ace My name is Ace and I'm the CEO of the Diamond Geezers
 Mining Company

SW It's lovely to meet you

Chico I'm Chico – Head of IFCE

SW That sounds interesting

Grouchy It isn't

SW Well it sounds important

Boastful It really isn't

SW What does IFCE mean?

Yammer We often ask ourselves that

Chico IFCE stands for In Forest Catering Experience

Yammer In other words – he makes the packed lunches

Chico No – it is so much more – it's a culinary delight, a treat for
 the taste buds, a fusion of food and fabulousness

Boastful Yeah but all we want is a cheese sandwich

Ozzie I'm Ozzie, head of uniform

Ace And when are we going to get our new uniform Ozzie?

Ozzie Well have you all filled in your surveys?

All YES – NO HATS!

All **(except Chico)** Yes please!

Chico That won't be necessary

Ace Chico I think the men would prefer some plain, old fashioned cooking
