

# BACCES 2019 Prince Harry & Snow White

## *Snow White's Birthday Party in the Palace*

Harry Ladies and Gentlemen may I have your attention for a moment. I'd like to propose a toast to the birthday girl, who is truly beautiful, inside and out. May your life bring you all the good things you deserve. To Snow White

All Snow White

SW Thanks everyone. I'm so glad you could all be here to make it such a magical day... **(to Harry)** especially you. That was very sweet of you to make a speech.

Harry I meant every word. I'm sorry I haven't seen you for so long. I feel bad when I think about you growing up without your parents, and having such a terrible stepmother

SW Don't be - I had my friends and they've become like family to me. Dolly and Anton have always been so protective - and dear Mrs Viaduct is the mad, old auntie everyone should have

Harry Ha, ha good old Mrs V – I've missed her almost as much as I missed you. She was always telling me off when I was a boy, but I usually deserved it

SW You were quite cheeky as I recall

Harry Oh I almost forgot – you have one more present

SW You really shouldn't have. Wow, what a stunning necklace

Harry Not as stunning as you. I hope you'll think of me whenever you wear it

SW Harry I don't need a necklace to make me think of you. You're not planning on leaving for another seven years are you?

# BACCES 2019 Prince Harry & Snow White

Harry      Definitely not! I want to be around as much as possible –  
that is...if you'd like me to be

SW          Doesn't the smile on my face tell you everything you need  
to know
